We serve Alabama, Florida, Georgia, Kentucky, Mississippi,
North Carolina, South Carolina, and Tennessee

About Us

The Southeast ADA Center is a member of the ADA National Network. We provide **information, guidance and training** on how to implement the Americans with Disabilities Act (ADA). We serve businesses, employers, government agencies and people with disabilities.

Our Mission

- Increase understanding and awareness of the ADA
- Promote voluntary compliance and effective implementation of the ADA
- Encourage partnerships among government, business, and disability communities to facilitate effective implementation of the ADA

Southeast ADA Center trainer teaches a student about Braille

Services We Offer

- Answer questions about the ADA by phone or email
- Provide accurate ADA materials and information
- Offer ADA training through webinars, web courses, and audio conferences
- Give referrals to regional and national experts for specialized assistance
- Partner with employers and related organizations to teach them about ADA employment rights and responsibilities
- Conduct research on the accessibility of financial services and partner with banks, credit unions and people with disabilities to make banking services available to the whole community

Southeast ADA Center

We work closely with business, disability, governmental, rehabilitation, and other professional networks to assist with ADA efforts in your State and local communities.
